1. For 2011, the entry is FREE!
2. There are two entry divisions: Professional Team and Amateur Team. The Professional Team Division is for those representing a restaurant or other food service organization. Amateur Team Division is for those representing an organization/company/etc (not a restaurant, caterer, etc.).
3. Entry Deadline: Contestants must complete an application and submit it to the Biloxi Chamber Office by 3pm on Friday, September 2nd, 2011.
4. Each team will provide a minimum of 10 gallons of seafood gumbo (20 gallons recommended).
5. Teams are responsible for providing their own ingredients, including cooked rice. Seafood should be at least one of the ingredients in the gumbo – to keep in line with the Seafood Festival theme.
6. **Each team may choose to prepare the seafood gumbo in Advance or prepare on-site.**
7. The public will be invited to pay a fee (this fee is in addition to the Seafood Festival entry fee) to enter the competition area and sample the gumbo. Each team will serve samples to the public. The Seafood Festival will

provide sample-size serving cups (6oz.), spoons, napkins, and crackers or bread. Teams are welcome to provide their own supplies if they choose.

8. **Booth dimensions must be submitted and are subject to approval by the committee based on the amount of participants.**
9. Set up can begin on Sunday, September 11, 2011, beginning at 7:00am. Set-up must be complete no later than 10:00am. Seafood Festival gates open on Sunday at 10:00am! **NO TRAILERS ARE ALLOWED IN THE ACTUAL CONTEST SERVING AREA.**
10. Booth spaces will be assigned by the committee. Please check in at the festival if you have questions about your booth space (check in with Emily Burke).
11. Unloading: When you arrive in the morning there will be someone to meet you at the gate which opens on Main Street near the Yates Building. The contest area will be located on the south east side of the Biloxi Town Green (near the Biloxi arch). You can enter this inside the Main Street gate. It's important to move your vehicle immediately after unloading (before you begin to set-up) to a parking space to make room for other teams to unload. The competition area and festival grounds must be clear of all vehicles by 10:00am!
12. Parking and supplies trailers may be stored in the Yates parking area. Parking is limited and based on a first come first serve basis.
13. Admission/Passes: At the festival, you will receive 5 worker passes (identifying wrist bands). The passes cover your entry into the festival on Sunday (\$5), and your entry into the competition area (\$5). You will be required to provide the pass (wrist band mentioned above) or pay the entry fees. If you need more than five, we request that you purchase these additional passes (\$10 / each). We ask for your cooperation on this. As a reminder, there is not an entry fee for the competition, so please consider the purchase of additional passes as a donation for a good cause. You can purchase additional passes in advance through the chamber office (if requested by Tuesday, September 6th, 3:00pm) or at the festival gate.
14. You must keep your booth open during the hours of the Gumbo Championship – Sunday, September 11th, 11:00am – 2:00pm.
15. Each entrant will need to provide his or her own tables, chairs, work surfaces, cooking equipment, utensils, umbrellas, tents, power cords (electrical outlets not guaranteed), propane stoves, fire extinguisher, etc. Booths will be located on the festival grounds east of the Arts & Craft Vendor Booths. The Seafood Festival Committee is not responsible for any set up or tear down of booths. *It's usually warm at the festival, so a tent or other cover is highly recommended!*
16. Teams will ensure that sanitary caution is made. Each team should make plans for hand washing facilities - including warm water, soap, bucket/container and towels/paper towels for drying. Plastic gloves are to be worn by all cooks and assistants while cooking and serving samples to the public.
17. No (readily consumable) food items can be sold at your booth. In other words, it's ok to sell cook books, spices, cooking utensils, etc. No food items sold by the chamber (i.e. water, soft drinks, etc.) can be sold or given away to the public.
18. A maximum of 5 team members (1 captain and 4 additional members) will be permitted in the cooking area and must be identified on the application form.
19. Teams are asked to decorate around their booth/table. (A "Best Overall Presentation" award will be given). Ideas to consider include booth decorations, costumes, company/organization banners, signs, music, give-a-ways/trinkets, recipe handouts, balloons, and any other ways to make your booth stand out. The event should be fun for your team and the public.
20. Peoples' Choice Award: The public will be given 1 ticket per person, along with instructions, as a way to vote for their favorite gumbo. Teams are asked to provide a labeled container (jar, box, etc.) to be kept at their table. The public will drop their ticket in the container of their choice to vote for their favorite gumbo. The containers will be collected shortly before 2:00pm and the tickets will be counted. The team with the most tickets wins the Peoples' Choice Award.
21. Judging will take place between Noon and 2:00pm. A festival staff member will come to your booth between Noon and 2:00pm and will let you know that they are there to retrieve a sample for the judges. You will provide one bowl for each judge to taste. Gumbo entries will be assigned a number, which will be clearly labeled on the container. Care will be taken to ensure that judging occurs without the judges knowing which team submitted an entry. Judges will consider Aroma, Consistency, Color, Taste, and Aftertaste. **THE DECISIONS OF THE JUDGES SHALL BE FINAL.** Awards will be announced shortly after 3:00pm.
